## Volunteer Logistical Support Team

### Rules and Regulations

#### Purpose:

To support the North Carolina Fallen Firefighters Foundation in its mission to support the families of our fallen firefighters and the Fire Service in North Carolina.

#### Objective:

To work with the NCFFF Board of Directors at events that additional support and assistance is needed. Events such as Funeral Services, Annual Memorial Service activities, fundraising projects, working the NCFFF Booth at Fire Schools and shows and any other events deemed by the NCFFF Board of Directors.

#### Membership Requirements:

Membership in the NCFFF Logistical Support Team is open to any member or family member of the Emergency Services of North Carolina. Civilian and personnel of State and Local Government Agencies can also become members. **Minimum age requirement is 18 years of age.**

Members will be divided up between the (3) three regions of the state, Western, Piedmont and Eastern. Each region can have as many as 20 volunteer team members on the roster. The Regional Directors will be responsible to maintaining the volunteer roster for their respective region of the state yearly.

Prospective Members will fill out an application and submit for review by the NCFFF Board of Directors. The NCFFF Board of Directors has the right to deny any applicants they deem will not be beneficial to the goal of the program and the mission of the NCFFF.

Approved Members will receive a personalized identification card verifying their membership in the NCFFF Logistical Support Team and any other items for identification purposes deemed appropriate by the NCFFF Board of Directors.

## **Notification:**

Upon notification of assistance needed, Members of the Logistical Support Team will report to the NCFFF Board Member in charge at the specified time and location and follow all orders and directives during the specified event. Members will be notified via e-mail or phone when their assistance is required. Notifications can also be made through social media such as Facebook and Twitter and through service related websites. (NCFFF, NCSFA, Firenews.net)

## **Travel and Accommodations:**

Logistical Support Team Members must be able to provide for their own travel and accommodations and other expenses that may be encountered during a requested event. Depending on the region of the state the event is taking place, those team members will be contacted and requested first in order to minimize travel and expenses for personnel. However, team members who wish to travel to other regions of the state to assist may do so on their own accord, but are still required to follow all rules and regulations and directives of the NCFFF Board Members on site.

## **Duties and Responsibilities:**

Team Members will be asked to perform various duties deemed necessary by the NCFFF Board Member in charge of the event. Specific duties could be but not limited too:

1. Set up/tear down of booths and displays at schools and shows.
2. Cleaning and preparing fire apparatus for funeral details
3. set up and transport of step boxes for pallbearer functions
4. Provide a driver and escort for the NCFFF Family Van.
5. Assist with cleaning and set up for the events during the Annual Memorial Service at the Fallen Firefighters Monument to include the Survivors Meal prior to the Candlelight service.
6. Participate in and assist with fundraising projects established by the NCFFF Board.
7. Any other duties and requirements deemed necessary by the NCFFF Board

The sole purpose of the NCFFF Volunteer Logistical Support Team is to provide manpower and support assistance to the NCFFF during events and times when the Board of Directors needs additional resources. Communications with the NCFFF Regional Directors is important in order to maintain a successful team.
