## RED HELMET RIDE

Ride for our Brother/Sister LoDD's

We are trying to break 100 motorcycles this year and reach out to Brothers/Sisters all across the state. We want to grow and support the NCFFF and the LoDD families.

This year Chief Smith of Holly Springs Fire Department has offered to provide a pancake breakfast for all the riders and this will be our starting point this year. We will have a motorcade in place to take us all the way to the NCFFF Memorial. We also have a hotel lined up with a discount at the Value Place, they are thrilled to help us with our cause. We will be able to get rooms for \$50 a night. It is located 5-4 miles from Holly Springs FD.
